

TERRITORIAL AND GENERAL.

The handsome young wife of C. F. Bornemann, of the Newport News, Va., deserted her husband and children and bestowed her affections on a coal-black negro.

The Bisbee "dog boy" has been committed to the insane asylum at Phoenix. He is 16 years of age, blind, deaf and dumb, and barks like a dog. He prefers going on his hands and knees.

A Swede has invented a device to move torpedoes by means of light. The new system enables torpedoes to be steered, although having no visible material connection with the steersman.

Some of the Cuban patriots, who were made prisoners during the war with Spain, have been released from the island of Ceuta and are now at Gibraltar without money to return to Cuba.

England threatens to destroy a republic down in South Africa while the United States promises to establish one in Cuba. Yet we are told that the English speaking races have the same taste, the same love of freedom and the same sympathies, etc., etc.

The Williams News tells of a locomotive having been struck by lightning while running at full speed down a grade. The lightning struck the smoke stack completely demolishing it, no other damage being done the engine. An occurrence of this kind is extremely rare, if it has ever happened before.

Deputy Sheriff Davis has returned to Prescott from New Mexico. He says the reason the governor of New Mexico refused to surrender Ketchum to Arizona that the criminal record of the accused was sufficient to hang him in New Mexico and that if he was not summarily dealt with Arizona could have him.

This section has been undergoing a grasshopper scourage for the past few days. They came in from the district of Lone mountain in droves and have destroyed everything in their path—vegetables, grass and even grass upon the plains. The grasshoppers are said to have first made their appearance in Grant county on the Lower Mimbres, and are moving westward. At the Texas mill they got into the pipes and stopped the operation of the entire plant.—Silver City Enterprise.
